

MODEL SCHOOL-BASED POLICY OF PS/IS 30 FOR USE OF CELL PHONES, COMPUTING DEVICES, AND PORTABLE MUSIC AND ENTERTAINMENT SYSTEMS ON SCHOOL PROPERTY

Students are permitted to bring the following electronic items to school: 1) cell phones; 2) laptops, tablets, iPads and other similar computing devices (“computing devices”); and 3) portable music and entertainment systems, such as iPods, MP3 players, PSP, and Nintendo DS.

A. The use of cell phones, computing devices and portable music and entertainment systems at school is subject to the restrictions below.

1. Cell phones and portable music and entertainment systems may not be turned on or used during the administration of any school quiz, test or examination.
2. Computing devices may not be turned on or used during the administration of any school quiz, test or examination, except where such use has been explicitly authorized by the school or is contained in an Individualized Education Program or Section 504 Accommodation Plan.
3. Use of cell phones, computing devices, portable music and entertainment systems and other electronic devices during the administration of state standardized examinations is governed by State Education Department Rules (Attached July 12, 2012 document).
4. Cell phones, computing devices and portable music and entertainment systems may not be turned on or used during school fire drills or other emergency preparedness exercises.
5. Cell phones, computing devices, and portable music and entertainment systems may not be used in locker rooms or bathrooms.

B. Cell phones policy will be as set forth below:

During the school day:

- Cell phones may not be turned on or used while on school property.

During after-school, school-sponsored programs or activities:

- Cell phones may not be turned on or used while on school property.

C. Computing devices policy will be as set forth below:

During the school day:

- Computing systems may not be turned on or used during instructional time, except for instructional and educational purposes with the explicit approval of the teacher.

During after-school, school-sponsored programs or activities:

- Computing systems may not be turned on or used during instructional time, except for instructional and educational purposes with the explicit approval of the teacher.

D. Portable music and entertainment systems policy is as set forth below:

During the school day:

- Portable music devices and entertainment systems may not be turned on or used while on school property.

During after-school, school-sponsored activities:

- Portable music devices and entertainment systems may not be turned on or used while on school property.

E. Confiscation and return of electronic items

School-based policies must describe the procedures for the confiscation, storage and return of electronic devices. In determining whether to confiscate an electronic device, schools should consider the nature of the violation. Where appropriate, measures should be instituted in a progressive fashion. Such measures may include, but are not limited to:

- warnings
- confiscation of item and return at end of school day
- confiscation of item and return following parent conference
- confiscation of item and return following student entering into behavioral contract
- revocation of privilege to bring item to school.

F. Discipline

School-based policies must state that students who use cell phones, computing devices, and/or portable music and entertainment system in violation of any provision of the DOE's Discipline Code, the school's policy, Chancellor Regulation A-413, and/or the DOE's Internet Acceptable Use and Safety Policy ("ISUSP") will be subject to discipline in accordance with the guidance interventions and disciplinary responses set forth in the Discipline Code.

G. Responsibility

PS/IS 30 and our community based organization (NIA) staff will not be held responsible and accountable for loss, stolen, damaged, or broken electronic items. Parents who permit their child to bring electronic devices will hold their child accountable and will assume full responsibility of securing all electronic devices.
