Building strong children, strong families and strong communities.

Dear Parents,

In response to a request from Principal Heeraman and the PS/IS 30 School Leadership Team, the NIA Community Services Network is exploring ways to allocate supplemental funding toward the cost of the NIA after-school program at PS 30 in order to offer these services at a reduced cost, beginning in January. Final costs will depend upon the number of students participating, as program costs per student would be lower if more students enroll.

NIA program activities currently include Homework Support, Arts and Crafts, Dance, Active Play, and collaborative activities with our middle school "mentors" including planting projects and paper-making lessons. With increased enrollment in January, NIA plans to offer additional activities, including Music, Sports and Physical Education, and STEM.

We are asking all parents to complete the slip below and return it no later than December 1st. The results of this survey will be used to determine how many families are interested in participating in the after-school program at a reduced cost, which will in turn help us determine final pricing. A \$50 registration fee will be required for new students. NIA's goal is to reduce program fees to approximately \$150 per month, a \$70 reduction from the current fee of \$220 per month. This breaks down to only about \$2.50 per hour!

Please feel free to contact the NIA Program Director at PS/IS 30, Kristian Velez, with any questions by calling 347-971-2328 or by emailing to velez.kristian@gmail.com. We look forward to your response, and hope to serve more of your children in January!

Please check one:

YES, I would be interested in enrolling my child in the NIA after-school program at PS 30 if the enrollment fee was reduced to approximately \$150 per month.

NO, I do not require after-school care for my child.

I am interested in after-school services for my child but cannot afford to pay \$150 per month.
