Education High School

Features:

- ◆ Engaging, hands-on STEM activities that will prepare students for success in the upcoming school year and beyond
- ◆ Different STEM tracks including robotics, game design and other STEM engineering challenges
- ◆ Arts, recreational activities and trips to NYC cultural institutions
- ◆ Daily breakfast and lunch

To Apply - please use the online application!

- ◆ You can access the application from any device, including your smart phone – go to:
<http://schools.nyc.gov/Academics/Science/NYCSummerSTEM>
- ◆ If you can't access the online application, please contact your Parent Coordinator

Applications must be received by: **Monday, May 20, 2016**

DON'T DELAY – APPLY TODAY

Space in this free summer program is limited. Submitting an application does not guarantee placement in the STEM Summer in the City program. Should the number of applicants exceed the number of available seats, participants will be randomly selected from the pool of applicants. Students who are offered a placement in the program must commit to attending every day of the program.
