Dear Annex Parents/Guardians:

Re: Safety during dismissal

Welcome back to a new school year at PS/IS 30 and welcome new Kindergarten Families! I have observed safety concerns during dismissal at the Annex and I would appreciate your partnership in creating a safe dismissal for our students by adhering to these procedures:

- Parents are asked not to block the bus stop with their cars. This prevents the buses from getting to the side-walks for student pick-up. Students are not safe walking in between cars.
- Parents are asked not to block the exits as students are exiting the building. Teachers will be holding up designated class signs and parents are asked to wait for their child behind the barricade. **Parents are asked to meet their child at the designated release areas where they see the class signs. The designated areas are as follows:**
 - Second grade classes will exit from the alley way and make a right along the iron fence towards 4th Avenue.
 - First grade classes will be exiting from the front basement exit and making a right along the iron fence towards 4th Avenue, behind 2nd grade.
 - Kindergarten classes will be exiting from the main exit and making a left along 415 Ovington towards the nursing home.

Teachers are responsible for the safety of all their students and need to give their full attention to dismissal procedures. Please do not engage in conversations with teachers during dismissal. If you have any questions and/or concerns, please see Ms. Moscatello as DMoscatello@school.nyc.gov or (718) 491-8440 x1032. Or you can meet with teachers every Tuesday from 2:20 pm to 3:00 pm.

We are looking for parents to volunteer their time to assist at PS/IS 30. Please visit our www.psis30pta.org website for more information.

Looking forward to a safe and productive school year!

Sincerely,

Mrs. Carol Heeraman
Principal PS/IS 30
