February 2019

Dear Kindergarten Parents,

Happy Valentine's Day!!! We have many exciting activities planned for the month of February. The Student of the Month assembly is on **Thursday, February 7, 2019 at 9:00 am**. Our next Parent Writing Workshop will be on **February 26, 2019 at 2:30 pm**. **February 5, 2019** is the Lunar New Year and school will be closed.

Our 100th day of school is on **Feb. 14, 2019 during Spirit Week**. We would like students to come to school on that day dressed as if they are 100 years old! There are other activities planned for each day of Spirit Week. Students are being asked to complete a project which we will put on display. Please see the attached flyer. Not to forget, the Mid-winter recess begins on **Monday, February 18, 2019**. School will resume on **Monday, February 25, 2019**.

Teachers would like to thank you for all of your support! Please don't forget to stay connected with our school by visiting our school website: www.psis30pta.org for important reminders and resources throughout the school year. Please make sure to read with your child every night. Reading together for at least 20 minutes a day is the most important gift you can give your child.

-PS/IS 30 Kindergarten Teachers

What we are learning this month:

Literacy CKLA: (listening) Kings & Queens	I can describe what a king or queen does. I can describe a royal family. I can describe that kings usually possess gold and other treasures. I can name the characters, settings and plots in a fiction read-aloud.
Writing: Narrative	I can use a combination of drawing and writing to narrate a single event, and about the event in order in which it occurred. I can read and write my sight words correctly.
Fundations: CVC	I can review consonant and vowel sounds. I can read and write C VC (consonant, vowel, consonant) words- ex. cat, mug, fox. I can write capital letters correctly.

<p>Math: Chapter 6 & Chapter 7</p>	<p>I can use counting strategies to compare sets of objects. I can compare two numbers and say what number is greater, less or equal. I can write and read addition sentences. I can add two numbers and write the sum. I can understand addition as putting together and adding to, and understand subtraction as taking apart and taking from. I can count to tell the number of objects.</p>
<p>Science: Push and Pull</p>	<p>I can push and pull on an object, change the direction of its motion and stop it. I can investigate different types of motion. I can sort objects into categories according to their motion: (straight, zig zag, round and round, back and forth, fast and slow, and motionless) I can push, pull, and roll common objects and describe their motion.</p>
<p>Social Studies: Unit 2</p>	<p>Self and Others: I can explore: Individual development and cultural identity. I can review the Seven Habits.</p>
