Father's Day Celebration

2nd grade will be celebrating Father's Day with a light breakfast and games on Thursday, June 13th in the main building school yard beginning at 8:15 am. All dads, grandpas, uncles and awesome male role models are welcome!

Dear Second Grade Parents,

Welcome June! With only 4 weeks left of school, we will be working hard to meet our end of year goals and beyond! Check out the important dates and learning targets below. As always, reach out to teachers with questions!

What we are learning this month:

CKLA	Writing	Math	Science	Social studies
<p>CKLA- Domain 10 The Human Body *Identify important systems in the body such as skeletal, muscular, circulatory, nervous and digestive. * Explain that all things are made up of microscopic cells. * Describe the relationship between cells, tissues, organs and systems. * Identify the important functions of each body system. *Explain the importance of eating healthy.</p>	<p>Writing Studio Letter Writing- Pen Pals *Write in letter format. * Introduce themselves to a new person in pen pal format. *Participate in letter exchange and pen pal picnic! * Use transition words. *Add details to expand and support facts related to a topic. *Use varied sentence structures (simple, compound, complex). * Provide a concluding statement or section. *Revise and edit.</p>	<p>Go Math- Chapter 11/Review *Identify 2-D and 3-D shapes and their attributes. *Draw and recognize parts of a shape. *Understand the basic ideas of parts and whole (fractions). *Review 2nd grade concepts, including addition/subtraction, skip counting, basic facts and problem solving. *End of Year Assessments.</p>	<p>Unit 2 Properties of Materials *How can you design a mixture for a certain purpose? *Students investigate different materials to design their own glue. *Students observe and test the properties of different materials, substances and mixtures. *Students make predictions based on evidence.</p>	<p>Unit 4- Rights, Rules and Responsibilities *Develop perspectives on how the United States is founded on the principles of democracy in all types of communities. * Understand that communities have rules and laws that affect how they function. *Describe how citizens contribute to a community's government through leadership roles and services.</p>

2nd Grade Teachers: Ms. Hoxha & Ms. Gamba (201) Ms. Hu (202), Ms. Marcano (203) Ms. Afifi & Ms. Soliman (204) Ms. Adams (K12)
